

Weapon Inventory

Foster Family

List Weapons	Describe Storage of Weapons	Describe Storage of Ammunition

There are no weapons of any know not any ammunition stored in my home or on my property. I understand that I must notify an AGL Representative of any new weapons or additional weapons acquired or stored on the premises of my home in the future. I also understand I must review the safety issue of weapons and conduct an inventory of weapons with any respite provider I use with the children in care
